D LISTENING

Mark has recently watched "Zorbas the Greek" on television in England. Mark was impressed by the music. After the film, there was a short programme giving information about Mikis Theodorakis, the composer and musician. In the listening the speaker summarises the main themes of Theodorakis's life. Help Mark take down some notes.

"Zorbas the Greek"

Mikis Theodorakis

1. His music ... **is well known worldwide. That in the film but also many of his classical and traditional pieces.**
2. His political struggles ... **have made him the symbol of the fight against any form of dictatorship.**
3. His role within Greek society... **Because of his struggles people asked him to become president of Greece. Because of his music he has been the foreground of the Greek musical scene for 60 years.**
4. His commitments to humanity ... **have made him a key figure to represent the struggle of nation for human rights and peace.**
